

ANNUAL REPORT 2018

Dear Friends,

For 26 years The PRASAD Project's humanitarian mission has provided care to individuals and communities through a network of health, nutrition, agricultural, educational and self-help initiatives. Your donations to The PRASAD Project support these vital programs:

- Providing life-saving medical and surgical treatment to more than 1 million people around the world
- Planting nearly 22,000 trees to support farmers and combat deforestation
- Providing more than 84,000 dental visits in India and the US
- Developing programs of empowerment for women so they may have an active role in the lives of their families and communities.
- Performing eye screenings and surgeries to more than 131,000 people in India and Mexico
- Supplying locally sourced food and nutritional supplements to treat malnourished children

As we have crossed the 25-year anniversary of The PRASAD Project, we have embarked on a strategic planning process to determine how to further advance The PRASAD Project's mission, responsibly grow its capacity and support our work in India, Mexico and the US. Our goal is to make all of our programs more robust and efficient; expand our board and continue building relationships to benefit those in need.

Thank you in advance, for helping us work towards transforming the lives of the economically disadvantaged, one life at a time.

Sincerely,

The Board of Trustees and Executive Director

Board of Trustees

Harriette Cole-Trustee & Chair of the Board

Jyotika Patel – Trustee & Treasurer

Dr. Vivek Panchapakesan – Trustee & Secretary

Deborah Royce – Trustee

Thomas Korula – Trustee

Executive Director: Dr. M. Cecilia Escarra

Officers: Linda Hindes – Assistant Treasurer

Mission

The PRASAD Project works in partnership with people to benefit children and communities in need, regardless of race or belief. PRASAD implements innovative solutions that respond to local conditions and cultures.

2018 Program Service Accomplishments

PRASAD Chikitsa

Responding to the limited availability of quality medical care in the Tansa Valley region of India, PRASAD Chikitsa offers general and specialized health care services, including HIV/AIDS prevention and treatment, and school health camps. In 2018, the mobile hospital received 3,700 visits, and there were 2,700 participants in the HIV/AIDS prevention and awareness meetings. The nutrition program provided 168,000 nutritional supplements to children, pregnant women and nursing mothers, and 2,900 women participated in Self-Help Groups.

PRASAD de México

The link between poverty and poor health is one of Mexico's biggest challenges. A lack of access to quality eye care leaves thousands of underserved Mexicans blind. In 2018, PRASAD de México's volunteer team performed free eye surgery on 1,150 adults and children.

PRASAD Children's Dental Health Program

PRASAD CDHP provides dental services and dental health education to children at their schools via a mobile dental clinic. In 2018, the program provided dental health
